

HAPPY HANDS

FAMILY GROUP

Saturdays 10am–12noon • £1 per child

Happy Hands is a parent & child support group providing weekly activities for children 10yrs and under.

Our sessions are fully inclusive and accessible for D/deaf families and families with communication difficulties.

We aim to promote the use of sign language through fun and interactive activities.

This is a great opportunity for families interested in sharing experiences and supporting one another.

COMMENTS...

“The sessions are very beneficial to my son who is non communicative.”

“We thoroughly enjoy Happy Hands, it is a great place for me and my family to learn and practice sign language.”
