

## Apps and Websites

Below is a list of apps and websites that may be useful for you to support your child in the event of school closure or being stuck at home over the coming weeks.

Please note that these websites and apps are ones that have been suggested by staff or professionals we work with but the content has not been checked by the school. We do not recommend allowing young or vulnerable pupils to access websites and apps alone and would **always** recommend using them with a supervising adult.

### Maths

Operation math (paid app) - Defeat Dr. Odd and earn the latest spy gear by using addition, subtraction, multiplication and division.
