**Following the success of our recent half-term camps, we will be holding free Easter Sports Camps for children from School Year 1 upwards.**

The camps, supported by Halton Borough Council, are a fantastic opportunity for children to engage in sport and physical activity on the very pitch our first team players play, and for the children to be coached by our highly experienced and inspirational staff.

There will be a variety of fun activities available for the children to take part in, all children will receive a free packed lunch at the DCBL Stadium.

The camps will work slightly differently from last time, with morning or afternoon slots available for each age group based on our timetable below.

First-team players and coaching staff will be there to host the activities and offer guidance to the children who come along, including club captain Jack Owens and longest-serving player Danny Craven, linking into the club's vision to transform lives through sport.

Parents are asked to provide any medical or allergy information of their children via the booking system so that we can make appropriate arrangements regarding the meals.

We kindly ask that you only book a place if you are definitely going to attend, so that we are able to provide the correct amount of free meals as well as allowing as many children as possible the opportunity to come along. Places are also limited to 50 per age group per session.

The timetable will be as follows, with children on any of our morning sessions to be dropped off at the car park of the DCBL Stadium at 8.30am and picked up at 12pm, and children on any of our afternoon sessions to be dropped off at the same place at 12.30pm and picked up at 3.30pm.

You can book your child onto any of the sessions for their age group but have to book separate places on each session to do so.

Both boys and girls are welcome at all sessions apart from Tuesday afternoon, which is specifically for girls of Secondary School age.
