

My School day

You may come to school on different or less days of the week.

Wednesday

Thursday

School may start and finish at different times.

You might arrive to school differently.

School might look and sound different.

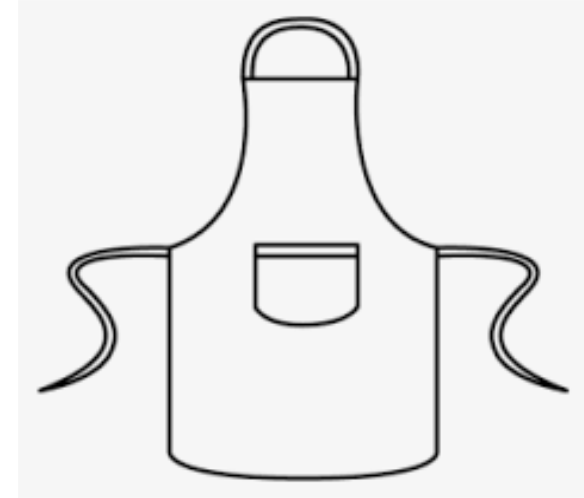

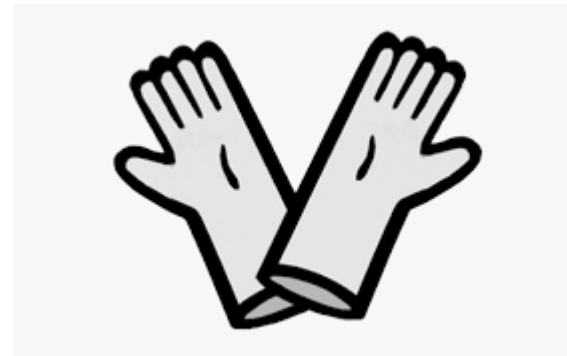

Not all children will be coming to school.
Some will be staying at home for now.

You must wear clean uniform/clothes each day.

Teachers and staff might wear a strange outfit.

You will be in small groups of friends with staff that you know (staff will call them 'bubbles').

Classrooms will look different.

Seats will be spread out.

No swimming in school at the moment.

You will eat lunch in your classroom.

Teachers will let you know where you can play. Each bubble will have a different area.

If you would like a healthy snack at break time, please make sure you bring one from home.

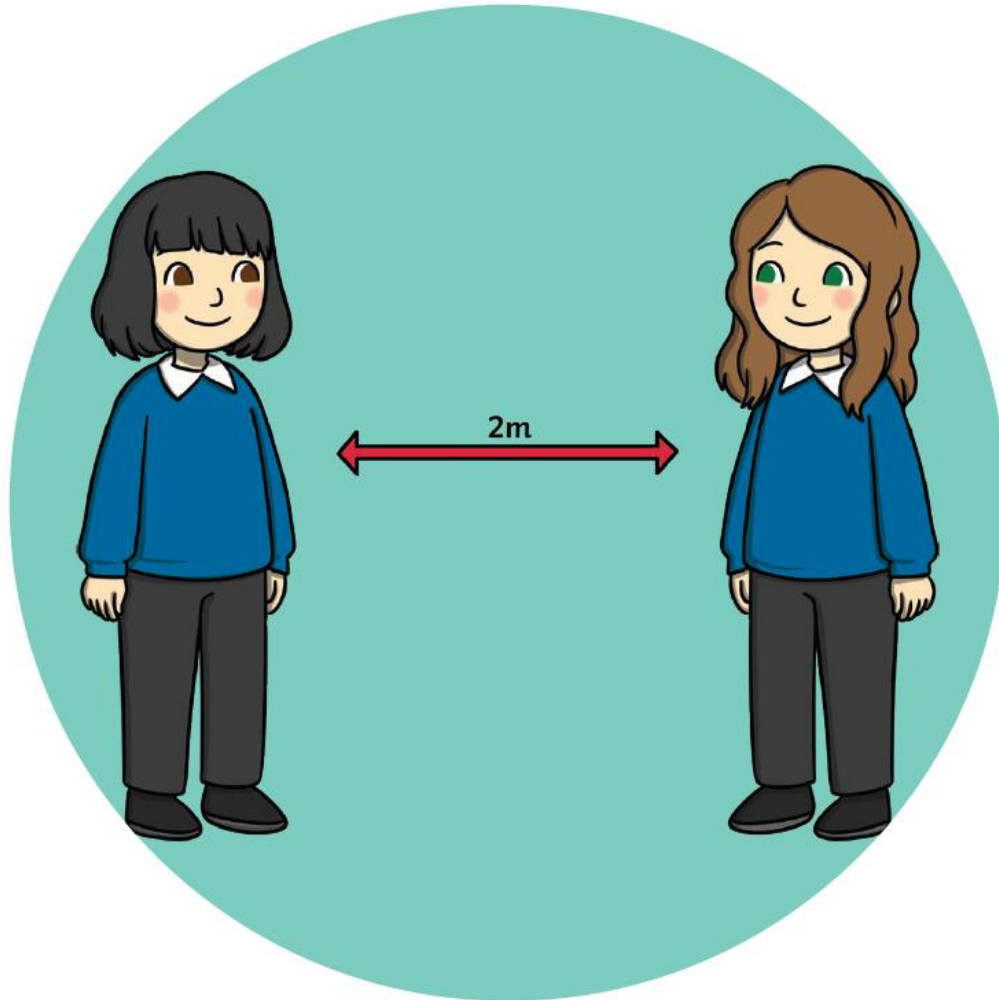

You must bring a water bottle with your name on too.

No toys can be brought from home.

Try to keep 2 metres space between you and your friends.

You must follow the handwashing rules.

Six Steps to Washing Your Hands

Sneeze into a tissue and put in the special bin and wash your hands.

CATCH IT.

BIN IT.

KILL IT.

We hope this helps you to understand some changes to our school and we look forward to seeing you very soon!
