## Halton Designated Clinical Officer Overview

In attendance will be KAT BOOTH who is the mid Mersey Deputy Designated Clinical Officer for Halton.

### Who are they and what do they do?

They are a single point of contact in our local community, offering health guidance and support to professionals and parent/carers. We influence the SEND system to enable our children, young people and their families to achieve positive outcomes.

They are all NHS clinicians by background, having each worked as practicing clinicians for over 10 years. Between the team they have experience in mental health, speech and language therapy and physiotherapy. Our knowledge of the health services provides the foundations for supporting our children and young people trying to navigate the world of SEND whilst managing health conditions.

## Thursday 6<sup>th</sup> October 2022 at 7.30pm

Not to be missed this is a very informative and informal way to learn about the service.

(If you are not a member and want to join this zoom just email us for a membership form)

### To Join Our Members Only Virtual Group:

All you need is a smart phone or laptop/computer with speakers, microphone and ideally a camera.

Join us direct on zoom on the link below:
